

Dear Valued Customers,

We are well aware that concerns about Coronavirus (COVID-19) are growing in our area. Inasmuch, it is very important to us here at Total Remodeling Systems that we share information and tips to help keep you, your family and friends safe.

Please know that Total Remodeling Systems has implemented strict company-wide initiatives towards the prevention of spreading infectious diseases as we remain open for business to all services.

Please rest assured that we will continue to take all necessary steps to help prevent the spread of disease and illnesses in your homes and in our workplace. We have several strict protocols in place with our team. This includes but is not limited to sanitization kits, masks and temperature checks for every TRS employee.

We will continue to monitor all precautions given to us by the CDC (Center for Disease Control). If you would like more information on ways you can keep your family safe, please visit the CDC online [here](#).

Sincerely,

Joe Henley
